STEP 1

Register and Create Your Profile:

You can register as an individual person or on behalf of an organisation.
You may wish to open two accounts so you can participate as each entity.

- At the top right of the screen click 'Register'
- Read and approve the platform promises
- Set your Account Type, profile name and password
- Confirm registration by accepting 'Activate Account' email request
- Complete your profile by adding a suitable picture, banner image and intro
- Add any appropriate links to websites, videos or social media
- Don't forget to add your Best Match tags eg. location, interests etc so that we can match you with relevant activities and members

Step one complete. Welcome along!

STEP 2

Locate your Private Dashboard

As a member, you can view your private dashboard.
Locate this under 'Your Account' on the top right of your computer screen or as a continuation of the page on your smartphone. Here you can:

- Edit your profile
- Check notifications
- Read messages
- Connect and search for connections
- Manage your Activities and Teams
